

The application

(modify the description of harm suffered and relief sought)

This is Scarlet authorized by READ ASAP LTD, I filed a case in eccb. Now I met a problem. When I applied for it, I was not asked to fill in the claim amount in the specific column. I thought I need to fill it later, but after checking the application materials of others, I realized that other people has already filled it in their appeal. Now I've already applied successfully, so I want to add **the claim amount** in my **Description of harm suffered and relief sought**. The official customer service told me that I could supplement it here.

In the Description of harm suffered and relief sought section of my claim, I would like to replace 【Due to the infringement, it directly led to the continuous decline in the income of the authors we signed. We hope that the pirated websites will apologize to us and immediately remove our exclusive works. We tried many ways to leave messages often without contacting the infringing website. Finally, we tried to find the service provider, but they cannot give the invalid message and don't deal with it.】 with 【Due to the infringement, it directly led to the continuous decline in the income of the authors we signed. We hope that the pirated websites will apologize to us and immediately remove our exclusive works. And due to the service provider's inaction, we haven't been able to contact pirated websites, we need the service provider and the pirated network to bear joint liability and jointly compensate us for 15000 dollars】
